

Dear

It was a pleasure seeing you in the clinic last week. Further to our consultation I have listed below a copy of your tentative treatment plan for your lower right jaw as discussed. As mentioned in the clinic this treatment plan may change depending on circumstances during treatment. In the unlikely event that this happens, this would be brought to your earliest attention.

Payment is made on a Pay-As-You-Go basis or on an agreed treatment. If you would like any further clarification and have any further enquiries.. I look forward to hearing from you soon.

Kind regards
